Appellant filed the first appeal u/s 19 (1) of the Right To Information Act but primafacie there is no decision by First Appellate Authority.

I, therefore, remand this case to the First Appellate Authority for inviting and giving a hearing to the appellant for examining the points raised by him in his appeal with a view to provide maximum information if due under the act and give appellant better satisfaction by issuing a reasoned order.

Interim Decision

Appellant is present. Public Information Officer Shri Suresh Patne, Deputy Engineer, Nerul Division and First Appellate Authority, Shri Y.M. Kamble, Executive Engineer, Maharashtra State Electricity Distribution Co. Ltd., Nerul Division, Navi Mumbai are present.

First Appellate Authority to investigate why delay took place in responding to the original application dated 27th February, 2006 and let me know who is responsible for the same.

First Appellate Authority was shown the paper Form No. Com-/C-1(a) No. 0053 (Sr No. 1178) copies were obtained by appellant from his office and also from CIDCO and there seems to be some discrepancy in the two. First Appellate Authority agrees to investigate this with the help of original record.

First Appellate Authority should also examine how he can get the information in respect of the remaining two offices from secondary sources (as Vashi office is not able to furnish the same).

A report from First Appellate Authority on above be submitted iln duplicate in 15 days.

Facts: A copy of the above appeal is annexed.

Interim Decision

Appellant is present. Assistant Public Information Officer, Shri Rajendra Kudale, Office of the Joint Registrar, Co-op. Societies,(CIDCO), Raigad Bhavan, C.B.D., Belapur, Navi Mumbai is present.

It is seen that the First Appellate Authority has given a decision in this case and the appellant, not being satisfied with the same, has again come before me under Section 19 (3) for a second appeal.

The nature of information sought is of a factual nature

I would prefer another dialogue between the First Appellate Authority and the appellant as that would open up the possibility of giving better satisfaction to the appellant much faster without the need for both parties to spend valuable time, energy and travel expenses in coming to Commission's office.

I, therefore, remand this case to the First Appellate Authority for inviting and giving a hearing to the appellant for examining the points raised by him in his appeal with a view to provide maximum information if due under the R.T.I. Act, 2005 in case the information asked for is related to more than one Public Information Officer, then all the concerned Information Officer should be invited for the hearing and thereafter issue a fresh reasoned order with a view to give better satisfaction to the appellant.

In case, however the First Appellate Authority be of the strong view that a second hearing would serve no purpose then he should send his detailed justification for such a view and comments on the points raised by the appellant in his appeal application. (copy attached) within 15 days.

A compliance report should be sent within 45 days.
