Interim Decision

Much time has passed since the original application was made and therefore, it would be necessary to know the present status of this case.

I, therefore, remand this case to the First Appellate Authority for inviting and giving a hearing to the appellant for examining the points raised by him in his appeal with a view to provide maximum information if due under the act and give appellant better satisfaction by issuing a reasoned order. This may be done even if the First Appellate Authority may have given an earlier decision which would automatically stand modified by the First Appellate Authority's new decision.

A compliance report should be sent within 45 days by the First Appellate Authority to me.
