To,
Dr. Suresh Joshi
State Chief Information Commissioner,
The RTI Act, Maharashtra State
Mumbai.

Sir,

I am indeed grateful to you for deciding my application which was pending before you for quite some time due to irregular behavior of the respondent.

As an implementing authority you have displayed exceptional qualities such as patience, sagacity and acumen as a Chief Commissioner, The RTI Act.

The disposal of my application from your office has set a healthy trend before a common man for whom the Act has been passed by the Parliament.

I am personally grateful to you and happy that many others like me would get the speedy redressal of their applications before your office. This would implement the Act in its true spirit.

Thanking you,

Yours faithfully
